

VEROCA

By Miguel Angel Ciganda

Description:

Ceiling lamp featuring a non-flammable textile diffuser, light-up body and four tension springs, with their respective supports. The textile diffuser can be machine washed and ironed without losing its features. The combination of various textile diffusers allows for multiple arrangements. Available in white or natural white. The VeroCa comes in four sizes, all available with fluorescent or LED bulbs. With regards to their systems, the G13 fluorescent version is sold in conventional, electronic or dimmable-electronic versions; the G5 and 2G11 fluorescent versions, in electronic or dimmable; and the LED version features an electronic-dimmable system.
